

IMPORTANT NOTICE: LEVEL 1 DROUGHT RESPONSE **IN EFFECT**

Effective April 27, 2026

Savannah Pines MHP & Nassau Woods MHP

Dear Resident,

Due to ongoing drought conditions, a Level 1 Drought Response has been declared. We are implementing a public awareness campaign to encourage responsible water use across all residential and commercial properties.

Please conserve water:

- Repair leaks inside and outside your home
- Turn off water when not in use
- Water landscaping only when necessary
- Avoid watering sidewalks, driveways, or buildings

Outdoor Watering: Permitted between **4:00 PM – 10:00 AM**

Allowed at Any Time:

- Personal food gardens
- New landscaping (first 30 days)
- Drip irrigation/soaker hoses
- Hand watering with automatic shutoff nozzle

This effort helps protect our shared water resources during drought conditions.
